Application Guide 2016/17 for FC Bayern Munich kits

Provided by Sporting iD

Official Licensee of FC Bayern Munich Names and Numberings

KIT COLOURWAYS

RECOMMENDED **NEW** APPLICATION INSTRUCTIONS
For Names And Numbers

Pre-heat fabric before applying name and number to stabilise fabric.
Place transfer/print in correct position, cover the names and numbers with Telfon sheet or greaseproof/silicon paper and follow the temperature, time, pressure and peeling instructions.

Temperature: 287°F
Pressing Time: 18 seconds
Pressure: 3-3.5 Bar/Medium
Peel: Cold

Please ensure that you follow product specific instructions displayed on the packaging.

These instructions can vary according to machinery used, type of fabric Being applied onto, size of print etc. In-house testing is strongly advised. Instruct customer not to wash the garment for 48 hours after application.
